

Adult & Childrens` Art Classes...

Beginning and Intermediate Acrylic:

A look of oil with a touch of watercolor. Acrylics are water base plastic paints with no odor or the need for any solvents. If you had a fear of learning to paint the acrylics are for you. Mistakes can be fixed within minutes. Acrylics give you a lot of freedom and creativity as you work. Able to change things as you go. You will be amazed at the things you can do with acrylics.

Beginning Watercolor:

This program offers the excitement of watercolor painting. You will learn color mixing, values and many different techniques, but most of all you will learn the magic of watercolor. If you are ready to make a little magic, then this is your chance. Watercolor is a translucent paint which has no odor or the need for any solvents.

Intermediate Watercolor:

For the more experienced watercolorist. This will kick your painting level up a notch. If you know the basics of which end of the brush to use, this class is for you. It will build your confidence and add finesse to your painting. You will learn and enhance your knowledge of composition, color, rhythm, balance and light.
