"Fine Art makes a great gift for any holiday or special occasion."

If
you view my paintings in the general store, all commission work is done with the same amount of quality. You can choose certain colors, move objects around (add or subtract elements) as you wish.

You
will be provided with a finished line drawing for your authorization to continue the work. This is a great way to capture a moment in time and keep a memory in your heart. Paintings are a very personal item which can be passed down through the family for many years, giving them a chance to enjoy that same moment in time. I enjoy painting all subjects that is why I offer a variety of paintings that can be done on a commission basis. (All other details will be provided in contract form)
